SERVE

A complete listing of ministries and ways to serve God
in and through Williamson's Chapel UMC

ON THE COVER

Serve Ministries is the umbrella over Volunteering and Missions in and through Williamson's Chapel. It includes everything from Children's Ministry to Ushers to serving in the Soup Kitchen to Uganda Mission Teams. These photos depict the essence of our ministries and how we serve.

SPECIAL THANKS TO TESA JONES

Most of you know Tesa as the "church photographer." Tesa volunteers her time and talent to support the ministries of Williamson's Chapel by capturing people and events, big and small, on camera. She has taken most of the photos in this booklet.

Dear Friends:

Service is one of the Four Cornerstones in our life together here at Williamson's Chapel. Our Mission is to *change lives and change the world through Jesus Christ by being (1) a community (2) where people worship, (3) grow and (4) SERVE*. A full experience of what it means to be the Church requires all four. It's not enough to have a few friends who are members here, show up on Sunday to worship, and enroll in a Bible Study along the way. To truly be the Body of Christ for the world today – to truly Be the Church – we have to do what Jesus told us to do. We have to SERVE.

Mark 10:43-45

⁴³But it is not so among you; but whoever wishes to become great among you must be your servant, ⁴⁴and whoever wishes to be first among you must be slave of all. ⁴⁵For the Son of Man came not to be served but to serve, and to give his life a ransom for many."

The good news is that there is no one right way to serve. There are, in fact, countless right ways to serve. You can serve in the church and through the church. You can serve out front and you can serve behind the scenes. You can serve as an individual and you can serve in a group. You can serve in an ongoing way and you can serve in a one time opportunity. You can serve spiritually, mentally, and physically. You can serve in ways you've served before, and you can serve in brand new ways.

There is no one right way to serve — BUT — it is right to SERVE.

I believe this booklet can help you find your right way to serve, and when you do, you will discover one of the real wonders of Christian community. When we seek to bless others, we end up being blessed ourselves. It happens all the time, and it can happen for you too. So, take a good look at the opportunities in this booklet, pray for God's guidance, and then take action. After all, it's the right thing to do.

Blessings and love,

Pastor Jan

Hi Church,

Serve Ministries at Williamson's Chapel UMC (WCUMC) includes serving in and through the church. It includes everything from serving as a Sunday School teacher, singing on the Praise Team, and volunteering at local non-profits, to traveling across the globe on a mission trip. This book is a comprehensive listing of all volunteer positions at WCUMC.

Do you need help finding your niche? There are so many wonderful opportunities to serve, but sometimes it's hard to know where to start. Our GPS survey will help you identify your spiritual gifts. Spiritual gifts are not our talents or skills. They are the grace of God at work within us. After taking the spiritual gifts survey, please be sure to take our brief "Gifts, Passions & Skills" assessment. This allows us to know your interests, and when there is a need in that area we can inform you of those opportunities. Even if you're already "plugged in" at WCUMC, taking the GPS survey is very useful—for you and the staff.

The church is the people inside of it. It is a living, breathing entity, and WCUMC is a special place filled with people who have a heart to **serve**. Please take some time to look and see all that Williamson's Chapel offers!

Amy & Susan*

shares why she serves:

I volunteer /serve as the DivorceCare Facilitator at Williamson's Chapel. When I was going through a divorce and felt alone, a Williamson's Chapel DivorceCare Facilitator/Volunteer was there for me. The DivorceCare Ministry provides a safe place for participants dealing with the effects of separation and divorce.

Williamson's Chapel and DivorceCare facilitators/volunteers give participants hope. Being a member of the Williamson's Chapel family and being able to give back in this capacity is a true blessing. I feel blessed that I am able to volunteer and be there for the participants ... the way Williamson's Chapel was there for me.

Steve LaPrade

shares why he serves :

I have been fortunate to have church communities that put a lot of focus on lay leadership & volunteer efforts. I have learned that Jesus teaches us to serve others and he exhibited that focus throughout His ministry. Jesus spent His life serving others. I believe that example teaches us to follow His lead and if we do follow His lead, then we become fulfilled in our purpose as Christians. The idea of finding the joy that God wants for us while we live out our earthly lives is found through serving others. We have also benefited greatly from others who were willing to serve and happy to give back.

Lastly, in my serving opportunities at Williamson's Chapel, I have begun to get to know others as we transitioned to the Mooresville community. Since we have moved several times over the course of our lives, we have found that an area doesn't feel like home until we get involved in a church community.

MINISTRY SUPPORT CHART

Becky McIntyre

shares why she serves:

I currently serve with Youth, on the Pastor's Advisory Council, and at VBS. I serve because it provides me an opportunity to live and grow in faith and fellowship. Through volunteering, I am given many ways to see God and His word live out across our church family and in our community.

Volunteering has provided me with a chance to connect with others whose paths are different than mine and normally wouldn't cross. In the beginning, I thought serving was giving of myself but I have learned that I receive so much more than I can give and I grow in God and my faith with every opportunity.

shares why she serves:

I am very excited to have the opportunity to serve as Chair of the Missions Council for WCUMC this year! I have always been so thankful to be a member of a church that values missions so greatly, and serving on the council for the last two years with incredible people doing incredible things for God has been an honor.

To reference a quote by Mother Teresa, "I am a little pencil in the hand of a writing God who is sending a love letter to the world."

My hope this year is that we continue to send that love letter to our community and the world through our missions work.

John Dyer

shares why he serves:

The most important objectives we have is to grow closer to our Lord and Savior and to help fulfill the overall mission of the church of “making disciples of Jesus Christ for the transformation of the world.” In order to achieve both of these, we need to be a part of a healthy church that supports current offerings and is willing to launch new missional opportunities, try new programs, and establish new small groups and Bible studies. As the Lay Leader, I get the opportunity to serve on several of the committees that work hard behind the scenes to make sure we have the financial means, people resources (staff & laity), facilities, and overall programs that will appeal to a wide variety of people in order to help everyone feel comfortable worshipping at Williamson’s Chapel UMC. I also have the opportunity to work with Pastor Jan and our great staff (how cool is that!) to discuss ways to meet our objectives both at the local level and within the Western NC Conference. Hopefully, all of the things we do today will help assure that people will be able to grow closer to Christ on our little corner of Mooresville for generations to come. This is why I enjoy serving in the role of church Lay Leader.
